Box 392, Mayo Hospital
Minneapolis, Minn. 55455

Dear Mr. Schoener:

When Harold called me from NO yesterday, I told him of your letter of June 29. Most of it will have to await his return, which is scheduled for about the 15th. There are one or two things which he asked me to acknowledge.

On Patsy and the prints: He would like you, if possible to get two sets for him, one to be sent here, the other to be sent to him at the DA's office in NO.

On the DCA overexposures, he will answer that when he gets home, although he was pleased to learn of the possibilities.

Jean Hack is not a familiar name. Can you supply either a copy of the interview or a source?

Much of your letter I was unable to transmit over our public address system, as you may surmise.

Sincerely,

Lillian Weisberg
