Dear Harold,

I didn't do well on my exam--I hope that the rest of the class didn't either so that I will be curved into a decent grade. My cold has gotten worse rather than letting up. I leave late tonight (provided I can get everything together). I will not be going to Chicago because Barbara Bolden has not replied to my letters and I have decided to write to the other persons anyway. I still haven't heard from the post office and therefore don't know whether my letter arrived via certified mail. I may stop in on her on the way back on January 5. I will, however, be going to Columbus Ohio to begin the search for Barbara Brooke, because of the possible importance of her photos. From there to Martinsburg, and then home. I may have to stop before Columbus due to my condition. Remember to reach me through my girlfriend or Vince for the first few days of next week.

Linda identified the photo of Wilson as McNabb or someone who looks just like him. Could Rose be ~~McNabb~~ ~~Wilson~~ Wilson? A photo of him would help us determine it scientifically. Slight changes in nose and ears are simple surgically. It's a bit too much of a coincidence that we run into two CIA men who look alike. Has Howard seen Rose--Hall seen him?

Enclosed are ~~two~~ copies of the memo on federal court injunctions.

Sorry I was out of it last night. I guess you're beginning to think that such is my normal state.

The Patsy photos won't be ready for about a week. He is swamped with work and literally working day and night. He doesn't even get home from work until 11:00PM if at all. I reassured him that he has done fine work for us and not to be concerned that he couldn't deliver on time. Could you send him autographed copies of your four books at: Mike Patsy, 1231 E. 3rd., St. Paul, Minnesota. He will send me the photos if they <sup>will</sup> arrive before the 26th so I can take them down to you, or if later than that he will send them to you. If he can only make two copies to begin with, they will go to you. Please tell Paul that all of his will come at once sometime in the next several weeks.

Ceal has not contacted me. She lives quite a distance so I wasn't able to drop in on her.

Martin could have been the guy who called into WCCO about a film of the LHO arrest, but isn't sure--poor memory. I assume that he is but will be alert for other possibilities.

Reference to film I mentioned on phone is CE3050 in vol.26. If you are going to Dallas look at this document first.

I have a tape of the guy who ran into Crookshank, which is correctly spelled Cruikshank. Cruikshank sounds like he maybe a nut, but I'll bring the tape with me. The photo will be mailed to me back East.

I have to go now. Take care and best of luck down there. Give my regards to everyone.
