Dear Paul,

Just a short note. Glad to hear that you are hard at work on your dissertation. Wish that I could say the same for myself.

The Mpls Tribune wouldn't really take a serious look at Harold's book so we decided not to take the long arduous route through Cowles himself. Time is of essence since the book is in NY bookstores and will officially be published on the 24th. I hope to help publicity through other means. Given how small the publishing firm is they really need help.

Jerry Policoff called from NY the other day to say that while Percy Foreman showed in the studio for the Bandy show, he refused to debate Harold. He just left a message, since I was unavailable, so I don't know the details.

Enclosed are some carbons of recent letters. Take it easy.

Gay
