Dear Mr. Johnson:

I am writing you with regard to the records of the Warren Commission. Please accept my very belated thank-you for the inventory you sent me over a year ago. I guess it's been some time since I've written the archives.

I would like to order the following items from entry 52 in your inventory:

- (1) (b) 1 pg. letter of Nov. 26, 1963 from Commanding officer, US Naval Medical School, concerning laws and...
- (d) 2 pp letter dated Nov. 22, 1963 from Dr. M. T. Jenkins to Admin. Parkland Hosp. concerning resuscitative efforts for President Kennedy with 3 pp letter of Nov. 23 from Dr. Kepp Clark to Dr. Burkley
- (2) copies of cert. of death and a pencil draft of the Navy Cert. of Death.

I am not sure whether the last item is the Navy Cert. of death signed by Admiral Barkley. If it is not the I would also like a copy of that certificate which was made out in Bethesda.

Please charge this to my account. Thanks in advance for your help.

Sincerely,

Gary Richard Schoener
