### JOHNSON IS QUOTED ON KENNEDY DEATH

WASHINGTON (AP) — President Lyndon B. Johnson yesterday accused Fidel Castro of Cuba of the assassination of President John F. Kennedy.

Howard K. Smith, the ABC News commentator, said that Johnson's accusation was "the most serious charge" since the assassination. Smith said Johnson's charge was "a direct accusation" that Castro was responsible for the killing.

Johnson's charge was "a direct accusation" that Castro was responsible for the killing.
