Dr. Carlos Bringuier
1115 Poydras Street
New Orleans, Louisiana

Dear Dr. Bringuier:

The United States Secret Service has advised me that you wish to have returned to you a GUIDEBOOK FOR MARTINIS which Lee Harvey Oswald gave you in August of 1963.

I have asked Mr. Meibler to make arrangements for its earliest return to you through the Secret Service office in New Orleans in accordance with your request.

Your cooperation in the work of the Commission is greatly appreciated.

Sincerely,

J. Lee Rankin
General Counsel
