

of interest to you and Jim. The HUAC hearings
on the KKK (in Congress) have some discussion of a \$25,000 contract
on King's death (before he was shot). (Reference: p. 3404) This
is somewhat different from what Jerry Ray told you (Frankup, p. 310).
The HUAC report apparently failed to mention the Brown who is on the
Military case. I am told that several of the names on the withheld
pages on the Miller story (CB-1347) are discussed in the HUAC hearings.

Sincerely,

Paul
