Dear Mr. Scovitch:

This is in response to your Freedom of Information Act (FOIA) request of February 2, 1992, relative to "...photographs of the JFK assassination and autopsy...", received in this Directorate on June 30, 1992. Your request was forwarded to us in turn from Walter Reed Army Medical Center, Department of the Army, Office of the Judge Advocate General, and the National Naval Medial Center, Bethesda, Maryland.

The Uniformed Services University of the Health Sciences, the Office of the Secretary of Defense element that has cognizance over issues related to your request, has indicated that they have no records responsive to your request.

Should you elect to consider this no record response an adverse determination, you may appeal this finding by offering justification to support an additional search effort by this office. Please be advised that should a second search still not produce any records responsive to your request, you may be assessed fees pursuant to DoD Regulation 5400.7-R, which may be found at 32 CFR 286, and amended by Federal Register notices, Volume 55, Number 248, December 26, 1990, and Volume 56, Number 89, May 8, 1991. Any such appeal should be forwarded within 60 days of the above date to the Office of the Assistant Secretary of Defense (Public Affairs), Pentagon, Room 2C757, Washington, DC 20301-1400.

All assessable fees associated with this request have been waived in this instance.

Sincerely,
