Mr. H. Weisberg, (Cont'd) More  
Congratulations on the '94 book!  
It is 30 years later and it is  
quite a "miracle" that you are  
still at it! That's the way the  
"truth" is. Never let's go of you!

Anyway, Am glad to see you have  
Carroll & Graf as your new  
publishers. This is a big step  
upward to a professional NYC  
publisher. Am also interested in  
seeking a publisher. May need  
to deal with R. Gallen and  
C & G (your publisher). Please  
be alert if they refer you on me  
or my query or inquiry. Am also  
into manuscript writing, but  
basically "fiction," etc.

Agree that Posner and the "media"  
have done all of us a disservice, etc.  
Perhaps your new book can set the  
record straight. Hope to see some  
reviews in the Post, Times, etc. Must  
give it a read. So long for now. J.M.S
