Dear Mr. Scovitch:

This responds to your Freedom of Information Act request of February 2, 1992, in which you seek documents, notes, sketches, x-rays, articles, lists, prints, communications, agreements of non-disclosure, etc., concerning the assassination of President John F. Kennedy.

A thorough search of our records has failed to produce the items you requested. All records from this facility pertaining to President John F. Kennedy are maintained at the National Archives. A copy of your request has already been forwarded there for appropriate action. Your letter has also been referred to the Uniformed Services University of The Health Sciences (USUHS) for further response to your request.

Sincerely,

M. F. Sutton
