SPECIAL FILMING INSTRUCTIONS

Dear Mr. Weisberg: ¹²⁻¹²⁻⁹³ [Happy 1994!]

I wish to hereby assure you that I disagree with and criticize almost all of G. Posner's book tour and publicity on current book (fiction?) "Case Closed".

Oswald and Ruby had a nexus;
Oswald and Ferrie had a nexus.
Posner's view is to force fit a pro-Warren Report conclusion.
The technology of the Book Tour is impressive, etc., but is it possible that earnest young barrister G. Posner is maybe a skill for the CIA, FBI, KGB, DOD or some other group? Who is Gerald Posner?
We must wonder. Joseph Scoville
