Movie reels in possession of Dallas Pd on 11/24-25/63 as result of seizure by search warrant from the home of Ruth Paine, 11/23/63 and room of Lee H. Oswald, on No. Beckley st. were reviewed and bore no pertinence to instant case. ^{Phonograph} Records in possession of police were property of Mrs. Ruth Oswald ^{which} had been voluntarily turned over to Dallas PD on 11/22/63 along with other material that may have belonged to Mrs. or Mrs. Lee Harvey Oswald and was on the premises of Mrs. Paine's residence. These records were Folk Dance Series recordings by Michael Meyerson and were marked as property of Mrs. Ruth Paine.

On 11/25/63

I examined material obtained from the room of Lee H. Oswald, 1026 No. Beckley on 11/22/63 by Search Warrant and found nothing in that material that had any pertinence to instant matter.

Other material in possession of PD was examined by SAs Hesty and Kurendorf (phonetic) and ~~nothing was developed by them~~, and they developed nothing pertinent to instant case.
