Mr. J. Lee Rankin  
General Counsel  
President's Commission on the  
Assassination of President Kennedy  
Washington, D. C.

Dear Mr. Rankin:

There are forwarded herewith copies of reports from the  
Service files relative to the assassination of President Kennedy.

A list identifying the reports by SS control numbers is  
attached.

Our files contain a number of documents classified as  
and identified by Secret Service control numbers 157, 161, 164, 165, 166, 171, 172, 174, and 403. Since these were received  
from other agencies, they cannot be released by us. I suggest  
a member of the Commission's staff, holding the proper security  
clearance, review these documents in our files and determine  
ones the Commission considers pertinent. Requests can then be made  
of the submitting agency for copies.

As indicated in my letter of January 5, 1964, the records  
files of the Secret Service are available for review by your  
for the purpose of extracting any additional reports or information  
contained therein. The attached reports were selected as being  
our judgment, information of paramount interest to the Commission  
at this time.

The enclosures also include a group of still photographs  
documenting the assassination scene, including photographs taken  
through a telescopic lens.

Reports submitted subsequent to our review of the files  
January 5, 1964, will be forwarded to you periodically.

Sincerely yours,

Enclosures

James J. Rowley
