Agreed with general comment on state of justice in Court

Said Ray guilty, which has to be taken as necessary
he was the shooter

Question on conspiracy could Ray have committed
the crime - says Ray disingenuous on conspiracy
in court. Did he say this in book?

Wrong to put Ray on the stand. That is not the
way America can just do better

we get asked about conspiracy in King case I
said he didn't know, but today refused to
touch a book that shows there was a conspiracy.
