October 27, 1988

Mr. James Lorin Silverberg, Esq.  
Silverberg & Wade  
1625 Massachusetts Avenue, N.W., Suite 510  
Washington, D.C. 20036

Dear Mr. Silverberg:

This acknowledges receipt of your letter to me of this date and the Settlement Agreement, Weisberg License and Selby License enclosed therein.

This letter confirms in writing the understanding which we have reached orally that the Weisberg License will allow Mr. Weisberg's bequest of the Zapruder film slides which are the subject of said License to Hood College, subject to the same restrictions placed on Mr. Weisberg, and that Mr. Weisberg will be allowed under the License to use the Zapruder film slides for his particular educational and instructional uses, lectures with free admission, and research, but not for reproduction or retransmission or commercial exploitation.

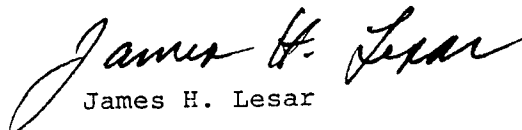

This letter also confirms our understanding that the Weisberg License which has been granted this date allows the slides of the Zapruder film to be duplicated by the National Archives and Records Administration ("NARA") with the material between the sprocket holes included.

This letter further confirms our understanding that the Selby License granted this date allows the derivative work by Mr. Gerard A. Selby, Jr. which is the subject of said License to be inherited and licensed by his estate subject to the same restrictions placed on Mr. Selby.

Finally, this letter memorializes our agreement that Mr. Zapruder will authorize NARA to sell a copy of the Zapruder film to Selby.

Please sign below and return one of the duplicate originals of this letter to me.

Sincerely yours,

  
James H. Lesar

James Lorin Silverberg, Esq. (date)
