Today SA Shaneyfelt handled a telephone call with Miss Meagher who referred to his testimony before the Warren Commission and indicated an interest therein. She stated she is undertaking a book on the assassination of President Kennedy and raised some questions concerning procedures followed by SA Shaneyfelt in his examination of the "Zapruder" film (amateur film depicting the assassination events). Since SA Shaneyfelt had testified in great detail before the Warren Commission concerning his examination of this film and his testimony is now a matter of public record, Miss Meagher was referred to appropriate pages of the transcript as rendered by the Warren Commission. It was suggested to her that if she desired any further information that she contact Mr. DeLoach's Office. She was very appreciative and stated that after she had fully reviewed the testimony, she would decide whether it would be necessary to be in touch with the Bureau further.

RECOMMENDATION: None. For information.
