individuals throughout the country concerning what he describes as his successful attempts to secure information regarding the assassination from Justice Department files utilizing the Freedom of Information Act.

It would appear from a review of the above mentioned correspondence that HOCH obtained the document set forth in the enclosed LHM from the National Archives which would make it a matter of public record. Accordingly San Francisco contemplates no additional action in connection with this matter.

The foregoing is for the information of the Bureau.

Dear Paul,

9/13/83

In the course of checking an FBIHQ JFK assassination section for another record I came upon what I'll enclose when "il can run the copier, and FBI report relating to you and based on information obtained from an identified 137 symbol informer, Abby Shaw.

The thing reminded me of another one I sent you years ago that included me and I thbik was of approximately this date. However, I do not know that they are identical

Mean anything to you?

As you can see from the other enclosure, maybe the FBI will be making some new Nosenko disclosures soon.

If I remember correctly, when I received this I had a notion it might be in response to the request os someone else. Not that mine is not older!

est,
