

1/2/68

Dear Max,

Tried to phone you several places earlier tonight, without success. I saw the TV footage at the archives today, got two Julia Ann Mercer reports, which say nothing, as I told you (enclosed), and wrote the enclosed memo.

In connection with it, I urge you to ask Fox American Films (322 Hampart) for a check of their billings for the period 11/30-12/3/63 to learn when they dubbed copies of the RMV and WFL footage. They might have the WFL bills under a government agency, as they might that of RMV. Of course, the stations might have had other footage dubbed there during this period. However, it might be possible to isolate this. One of the things to look for is a very short length of film, for if the RMV footage was done first, it is brief. I'd estimate no more than two minutes, perhaps less.

Sincerely,

Harold Leisberg
