

Clay Shaw and "Formidaball" 62-109060-4812

Irrelevant to anything but apparently correct is this FBI report which suggests a Clay Shaw lover Jesse Core referred to with the name (phon) Formidaball, who was of this approximate age and from N.C.

My Core interviews hold his comments, which were side issues, his musings rather than my interests. Core was and remained a friend of Shaw.

When Jesse was handling the Trade Mart's public relations and had an office there he returned from a duck-hunting trip with a full bag, so he stopped off to give some to Shaw. Shaw was not home. F. was and went into a tizzy when he saw the dead ducks and blood.

Once F swished into the ITM offices to see Shaw. Shaw, who was a large man, grabbed him by the collar and pants seat and propelled him out and told him to stay out - that his business and personal lives were separate.
