Statements of Witnesses - Edward SHIELDS, May 14, 1964 (7 H 393-5)

He is in the shipping department of the Texas School Book Depository Company at 1917 North Houston Street. He is a 14-year employee of this company.

He was talking to James Tracey, manager of the parking lot near Record and Elm. He saw Givens at this parking lot.

He also says the sequence was one shot, "then a pause and then this repetition - two shots right behind the other ..." (p.394)

It is difficult to understand why a deposition was taken from him.
