

Hi Harold,

Here's O'Neil and Sibert's deposition from the ARRB. I have a question or two for you. Barb and I found a document while we were at the Archives that is a chronology of the executive sessions of the WC. The first four pages are typed and the remaining 11 pages are handwritten. What I found interesting pertains to the letter that Barb and I copied while at your house that was sent to Sen. Russell in regard to his objections to the WC report. In that letter there is a reference to an excerpt from one of your books, it mentions the senators that questioned Marina on a Sunday night in September. The document that I found also mentions that Russell, Boggs and Cooper questioned Marina on September the 7th. Now for the questions. There is no indication as to the originator of the document or who it was intended to receive it. I'm curious if you have ever seen it and have any idea who wrote it? I'd be happy to send you a copy of the document if you are interested.

Secondly, in the letter that was sent to Sen. Russell you asked for the transcripts of the September 18th meeting and I wonder if you ever received it? I have some of them but nothing after January 22, 1964.

It was a pleasure to meet you and I really enjoyed the lunch! My mother-in-law lives near Harrisburg, Pa and will make sure that I take my wife to Dutch's Daughter's next time we are there.

Thanks again,

Bill Hawley
