

# THE WARREN COMMISSION WAS RIGHT

# THE GREATEST COVER-UP OF ALL

## DECIDE FOR YOURSELF

which side is closer to the truth—after reading the major arguments, in this history-making **FREE ISSUE of Skeptic Magazine!**

Since Oswald was *known* to be right-handed, how come his gun had a left-handed scope? Why does an FBI report claim that *separate* shots hit the President and ex-Governor Connally . . . when the Warren Commission *insists* it was a single bullet? And how do you account for the 17 different witnesses—all with evidence contrary to the Warren Commission's conclusions—who were found *dead or murdered* within three years of that sad traumatic day in Dallas?

Disturbing . . . more than that, agonizing . . . questions that linger to puzzle and plague us still, in 1976. Was the Warren Commission right . . . or are we all victims of the most massive and frightening cover-up in the history of our republic?

The editors of *Skeptic Magazine* recently decided to take a penetrating, wide-ranging overview of the entire subject, in a special issue entitled "WHO KILLED JFK?" They invited the Commission's staunchest advocates—and severest critics—to present their pro and con views in a totally no-holds-barred fashion. The result: in the few months since publication, "WHO KILLED JFK?" has become the best-selling issue in our history, with every likelihood of becoming a prized collector's item as existing copies become harder and harder to obtain.

The JFK special issue is typical of *Skeptic's* refreshingly different, totally unbiased approach to matters of national and international import that concern us all. *Skeptic* is a feisty, controversial, completely non-political and wholly independent every-other-month publication. Each issue is devoted to subjects of major importance. Past issues, for example, have been devoted to Spying, the Energy Crisis, Crime, and Inflation.

*Skeptic* is the only magazine that prints *all* sides, takes *no* sides, and invites you to make up your *own* mind. You get hard facts, trenchant opinions, informed points of view from the leading experts in their fields. From Henry A. Kissinger, Theodore H. White and Arthur Schlesinger, Jr. to Eric Hoffer, Clare Boothe Luce and Tom Hayden. There are no sacred cows grazing in its pages, no editorial bias, no attempts to propagandize or influence. What you *will* find is some of the most honest,

incisive writing being published anywhere in the country today!

With *Skeptic*, you have the evidence, the background, the essential information you need to draw your *own* conclusions, make your *own* decision. You're briefed. You're informed. Better able to judge for yourself. You're even more valuable to your colleagues and associates . . . more interesting to your friends.
