A SUIT CHARGING
the National Archives in
Washington with suppressing
documents concerning
an alleged plot in the assassination of the late President John Kennedy in Chicago was filed Monday in U.S. District Court there.

The suit, filed by legal researcher Sherman Skolnick, contends the archives

U.S.

are withholding information that shows Kennedy died not at the hands of a lone assassin but as the result of a conspiracy.

The Warren Commission which investigated the assassination laid the blame solely on Lee Harvey Oswald.

The suit asserts that five conspirators planned to kill Kennedy at the Army-Air Force football game in Chicago Nov. 2, 1963. But when the President canceled his appearance because of a cold at the last minute, the suit continues, the assassination attempt was rescheduled for Dallas three weeks later.

The suit demands that the Warren Report be declared void. It is believed to be the first suit challenging the authority of the archives to withhold information about Kennedy's death for 75 years.
