Dear Ed,

If Bauer's making it made the local papers, I didn't see it. It certainly didn't get on the CBS all-news station unless it was the one day I spent in Washington last week, for I listen to that enough and they repeat so much I'd not have been unaware of it. Either no attention or almost none hereabouts.

But it is good for everyone that you keep after this. Good luck!

The clerk of your federal court has informed me, by unshameful arithmetic, of the added papers in Skolnick's frivolity, #70 C 790. "A motion to dismiss has been filed (2 pages) to which an exhibit is attached (18 pages), and an affidavit of a Mr. Rhodés (sic- undoubtedly James Rhoads, head of the Archives)", which is also of two pages. Thus there remains the unaccounted-for papers Skolnick filed. The clerk says there ~~xxx~~ is a cost of \$11.00, which I do not have, for these, without whatever Skolnick filed.

Have you any way of getting these for me without spending \$11.00 that you do not have, as from Skolnick or Seltzer? I'd like to have a complete file. Skolnick will carry it no further, you can be sure.

Incidentally, none of those I've written, carbons to you, has replied. Not one, save the single Weintraub letter, my response/challenge to him being without response.

Sincerely,

Harold Weisberg

Dick, no one can either of you undertake to get copies of what is referred to above from Skolnick, with any explanation he can offer about the status of the case, his plans, etc. He has filed and been granted a "stay", as I believe I told you.
