

## Gerald Smith 'Accepts' Dewey

*J. H. Dewey*  
f Gerald L. K. Smith, national di-  
1 rector of the America First Party,  
1 said yesterday that 693 out of  
a 1,000 America First Party leaders  
o would favor Governor Dewey of  
e New York for President "if Amer-  
o ica First supports the Republican  
t Party."

r He telegraphed the Michigan  
d State Republican Convention at  
d Detroit results of the first 1,000  
e replies in a poll of America First  
- leaders.

7 "This opinion on the part of our  
7 leaders might easily be changed  
by some strategic error on the  
part of Mr. Dewey or the Repub-  
lican leadership, but as of today  
the facts speak for themselves,"  
Smith's telegram said.
