Dear Mr. Smith,

Several bibliographies have been prepared, the most dependable that by Professor David Wrone, Wisconsin State Historical Society.

I don't keep up with them because almost all merely help people get misinformation. I have no interest in that.

Oswald in New Orleans is out of print. I sell each of the few copies I have for the cost of reproduction to me, \$21.00.

The original editions of the three books of the Whitewash series are each \$4.95. Postage on each is now ~~18¢~~ 18¢. One orders for the three to go in one shipment we pay insurance also for a total charge of \$15.00.

My book on the King assassination, Frame-Up, is \$10.00 plus shipping. We encourage insurance and assume no responsibility if not insured. Total for it, \$10.50. It has some JFK materials in it, including facsimiles of some FBI reports, transcript Miami tape mentioned in Oswald in New Orleans.

In the sense you use the word "all published nothing of mine. They rejected White-Wash three times then came to me for it when the underground edition was successful. They reprinted the first two.

Canyon was a Parallax subsidiary for books Pocketbooks, Parallax distributor, would not touch.

Sincerely,

Harold Weisberg
