Dear Mr. Weisberg,

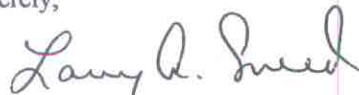

It has been a long while since I have corresponded with you and hope that you are in good health and spirits. Several years ago you were so kind to have talked with me on the phone regarding the Kennedy assassination and to have signed all of your books up to that time, which are now treasured items of my expanding library on the subject. In recent years, I have acquired your most recent books: *Case Open*, *Never Again*, and *Selections from Whitewash* and wondered if you might also autograph them for me? I would be very grateful and would appreciate it very much. Naturally, I would enclose all postal costs and packaging.

Over the past ten years I have made eight trips to Dallas interviewing eyewitnesses, Dallas policemen, deputy sheriffs, and government officials and have compiled my research into a book, *No More Silence: An Oral History of the Assassination of President Kennedy* which is scheduled for publication in September by Three Forks Press in Dallas. The book will be approximately 600 pages with around 150 photos, largely of the people involved, and most being previously unpublished. I thank you for your encouragement in the early years of my studies.

Once again, I hope this finds you in good health and spirits. I have enclosed a self-addressed stamped envelope for your convenience.

With all good wishes!

Sincerely,

Larry A. Sneed

And thanks for the thoughtfulness of the SASE.
