Dear Master,

I have indeed received your letter of November 24, as well as the (?). Details such as photographs and the dates of birth of ROY, BAILLE, WITMARCH, PETITJEAN, etc., will be the subject of my next letter. My inquiry is advancing very quickly and the people that I have contacted are found in the four quarters of Europe. I have encountered a problem of liaison with you and above all a financial problem. I am obligated, in the state in which I find myself, to dedicate myself almost exclusively to your affairs to the detriment of my own activities. My means do not permit me to commit myself to pay travelling expenses in advance, and the advance which you have given me is largely spent. Restaurants and planes are not cheap. It pains me to talk money with you but I am effectuating something tremendous which would be damaged if blocked by a question of money. I need 5,000 francs for Spain and Portugal (plane 2,300 plus 1,000 (?) hotel and restaurants). If you could quickly send me a sum greater than this for my other expenses and also for some small payments to certain "collaborators", that would avoid loss of time for me and you, too. Almost a month has passed since I have had any response to my (?) letters.

Please excuse me for returning to these questions of money. Let's pass on to my latest information.

1) Jean Rene SOUETRE was born October 15, 1930 at AIGUEMORTES LES GRAVES in the girond and not at LA BREDE. He has been married three times. He has three children.

A) with MARCELLE BERROTTE, divorced in 1961;
 B) with Josette DE MARCAILHOU D'AYMERIE, divorced in 1971
 C) with FRANCOISE HOURTIC in 1973. The latter was born
 ARCACHON on January 10, 1945.

2) SOUETRE currently owns a piece of land in Paris located
 at 23 Rue Leverrier in the 6th arrondissement.

3) He has actually been at Divonnes les Bains since 1975,
 where he is a member of the board of directors in charge of public
 relations at the Divonnes Casino.

The most interesting thing is that among the directors of
 the casino is one named BAILLE, the one who set up this shipwreck
 salvaging business in the Carribean and who resided in New Orleans
 with the ship's lieutenant ROY.

4) SOUETRE was officially in Spain from 1962 to 1971. His
 official address was a business at Palma Nova de Majorque. In re-
 ality he was very frequently in the Caribbean. In 1963 (June or
 July) and until 1964 (April) he was occupied with a bungalow
 factory, the COFABAC, whose main location was Trinidad. He had
 numerous contacts with anti-Castroites. I will know some soon
 after my trip to Spain.

He was also occupied with a sugarworks in the Antilles, but
 in 1971. He had very close contacts with the "colon" milieu in
 Martinique who arranged for his Antilles papers.

5) SOUETRE had very powerful contacts with General WALKER,
 member of the John Birch Society. In 1970 the French services

had a very close interest in associates of General WALKER residing in Germany. The latter were (?) relations with an extreme right-wing group composed of ex-O.A.S. members. Especially ex-Delta members. The meetings took place at BREY Street or "Poulallei". Some of the members of this group will be arrested some time later for the kidnapping of "the banker of the OAS" Raymond GOREL. He worked with LAFAILLE of Carcassonne, RENAUD, ex-adjutant chief of the Legion, Jean LECRIVAIN, Robert CALKA.

In anticipation of a prompt response, please accept dear Master (?) my complete devotion.

P.S. I am attending an imminent meeting with the old man responsible for the ORO and Doctor PEREZ. In case of monetary negotiations for documents, can I commit myself?
