

# Arlen Specter for the U.S. Senate

1535 Chestnut Street, Philadelphia, Pa. 19102 (215) LO3-3000

Mr. Daniel Roffman  
8829 Blue Grass Road  
Philadelphia, Pa. 19152

Dear Mr. Roffman,

Israel is one of America's oldest friends and allies in the Middle East. This friend is surrounded by terrorists who attack the civilian airlines of all nations and by governments that use their oil deposits in an attempt to coerce the United States into abandoning our friends. That's ONE reason I'm running for the U.S. Senate -- to fight for a foreign policy that supports our allies, not common international criminals.

I've effectively dealt with common criminals before as District Attorney of Philadelphia. I didn't coddle robbers and rapists who terrorized our streets, and I didn't wink at corrupt politicians and welfare cheats. If you want that kind of backbone in American foreign policy, you'll want to support me for the Senate.

Let's talk domestic policy. If you deplore the shame of an economy that idles people who WANT to work, that heaps taxes and inflation on those who DO work, that actually gives incentives for NOT working, then that's one more reason to support me. I intend to fight for an economy that looks out for the interests of people who do their jobs and pay their bills.

That fight has already begun. I'm in a hot primary campaign against a multimillionaire; surely you've seen his personally-funded TV ad blitz. Against all that, I have to get across to the voters the simple, sincere message I've outlined to you in this letter.

It takes money -- a personal check -- and I need it before the April 27th Republican primary. If what I say makes sense to you, then help me get my message to the people of Pennsylvania. Send me your check today and give me your vote on April 27th.

Sincerely,

Arlen Specter
