Dear Dick,

Please excuse the haste, brevity and errors. Missed you again. Jones said you were out of town. Home today, doing a few things and leaving again Sat. early a.m. until holidays. Very tired, having slept less than two hours in past 38 and cannot now because I do a radio show by phone soon.

There are others similar to the enclosed re other nets. Will copy when can dig out again if you'd like.

Dupe I mentioned is not in book memo but in one I've gotten recently. When I can I'll copy for you. Said to be tape.

Cannot add to your per. 3 and am uncertain source. One shows clock: 12:40. Is it Decker or Walther's? I thought D, informant says W.

What you are accomplishing is terrific. Remember, Willard has another shot. He didn't answer me when I asked to buy it.

Many thanks for the Lovelady pix. I cannot conceive of the shirts as identical. Jones said he (you) satisfied these are the same men.

Page two: haven't had time to go to LC. Have to on other business but cannot not until Dec. earliest. However, tell me what you want checked out and I'll see if I can get it done for us. Possibly can. Do not know re: Sharp.

After I get back, Dick is coming down for a couple of days to go over my unpublished material, about an eight-inch stack. At that time I'll ask him to flag everything that might interest you. Okay? Also, you are welcome.

Gotta get ready for a radio broadcast to San Francisco.

Keep it up! It's wonderful!

Best,
H
