WHO

is Running Your Government?

The following was found at the Library of Congress on page 8 of the (Communist) DAILY WORKER of May 26, 1928.

The Communist Party considers it as its historic duty to warn all Workers, regardless of their color, against the common enemy, against the Master Class.

The Negro Race must understand that Capitalism means racial oppression and Communism means Social and Racial Equality.

"IF"

If you can keep your head when all about you UNESCO seeks to muddle and deceive; If you can trust yourself when "pinkies" doubt you Because you love your Country and believe Its Constitution is the best that ever Was drawn to guard the liberties of man, And that Americans must all endeavor To keep it safe and solid if they can

If you won't let the UN be your master, If you won't make world government your aim; If you can fight the sinister disaster Of letting spies and traitors win the game—If you are loyal to the land that gave you Your freedom and the chance to fight and win, And count upon its Bill of Rights to save you From tyranny and slavery and sin

If you respect your Flag and love your Maker And pray that He will guide you to do right, And do not let the first high-sounding faker Convince you white is black and black is white—If you stand up and say you love Old Glory And show that you're an American with guts Baby, you'd better get yourself a lawyer, For "Mental Health" is out to prove you're NUTS!!
