Dear Harold,

Thank you for the
revised item you sent;
it was not, however,
mine.

I've just arrived
in Madison a few days
ago and am in the pro-
cess of getting settled -
have to take a big breather

in August. I brought some
of my RFK stuff, but
not all of it.

I saw Gerson briefly,
a couple of weeks ago,
and he made some comments
on how a FOIA form letter
should be adapted for
the RFK case. Enclosed
is a first draft, along
with his comments (copy, also
to Gerson and Johnson).

I'd be very interested
in any thoughts you had
on the ad or possible
changes. I'll try to
call you or then in a
week or so.

I hope things go well.

Regards,

Gary Stee
