Dear Mr. Stone:

This is to acknowledge your letter to the Board of Police Commissioners, City of Los Angeles, regarding the Robert F. Kennedy assassination investigation. Due to the length of time since the Board last considered the release of this information, Commission staff and the Los Angeles City Attorney are currently reconstructing and evaluating previous positions.

As soon as the matter has been investigated, you will be contacted regarding the status of your request.

Very truly yours,

BOARD OF POLICE COMMISSIONERS

Mr. William G. Cowdin
Secretary, Los Angeles Police Commission
Suite 144-150, Parker Center

Los Angeles, CA 90012

Dear Mr. Cowdin:

Enclosed is a letter which I have received from Mr. Cobb. As the Police Commission policy on the RFK case designates the secretary of the Commission as the recipient of information requests, and after over nine months of correspondence, my inquiries should obviously be clear by now to any officials concerned. I continue to await substantive response to them.

Sincerely,

Gregory Stone
