Dear Customers and Friends,

Happy New Year! As promised in the rear of catalog #17, we are mailing a flyer from All That Video on the extended collector's edition of **JFK**. Shipping will begin around Jan. 20, so these videos should be available soon. Also, there is additional information on the Midwest Symposium in this packet.

We cannot mail a packet without including some information on new books that we have received. Many of you have asked about the differences between the two editions of **The Gemstone File** listed in Catalog #17. Here is the explanation:

**The Gemstone Files**

135. Large Softcover original, VF, Illuminet Press, Atlanta, 1992, 1st ed. 214 pages. Ties together Kennedy Assassination, Chappaquiddick, Howard Hughes, & Aristotle Onassis. Aside from "A Skeleton Key", it contains analysis by Mae Brussel, Jonathan Vankin, Robert Anton Wilson, & Kerry Thornley. Also present is the "Kiwi Gemstone" and "An Interview with Stephen Caruana". \$15.00

1103. Large Softcover original, (Magazine size), VF, Crown Columbus, Ohio, 1992, 1st ed. 403 pages. Argues that the motive behind the Watergate breakin was to obtain **The Gemstone File**. In addition to "A Skeleton Key" includes many of the original parts assembled by Bruce Roberts. \$30.00

-----  
...A Couple of new books recently received.....

1104. Matthew Smith, **JFK: The Second Plot**, Mainstream, Edinburgh, UK, 1992, VF/VF, 336 pages. Smith argues that there were two plots- one to assassinate JFK, the other to place the blame on Castro in order to spark a second invasion of Cuba. This UK book not available in US stores. \$32.50

1105. James R. Duffy, **Conspiracy: Who Killed JFK?**, Shapolsky, NY, 1992, 225 pages VF. Paperback reprint of "Who Killed JFK". Proves a conspiracy using the known circumstantial evidence. \$6.00

Finally, in response to your suggestions (and complaints), we have decided to offer First-class shipping of your catalog for those who desire this service. This would include shipping of your catalogs first class prior to the bulk mail shipments. The cost of this service is \$4.00/yr., and will begin with the Spring 1993 catalog. If interested in this service, simply send \$4.00 check or money order with the words **First class service** in the memo box.

We look forward to seeing many of you in Chicago.....

All the best,

*Andy & Linda*
