

"Today, nearly 30 years later, profound doubts persist about how President Kennedy was killed and why. The Warren Commission's^{*} conclusion that Lee Harvey Oswald acted alone is not believed by most people. The House Select Committee on Assassinations (HSCA) concluded in 1979 that President Kennedy "probably was assassinated as a result of a conspiracy" and that "government agencies performed inadequately" in investigating the assassination. Our movie is a metaphor for all those doubts, suspicions, and unanswered questions."
