

Dennis & Howard 8pm 11/30/68  
 Heard son ~~fell~~ in some tree.  
 signed telegram ~~about~~ him, Joseph  
 Howard says he never got any  
 idea he had a FZ for \$57.00.  
 Dennis says up in Kashi  
 said Wigmore. L H reported to  
 G P H, who had a long phone  
 conversation in Rin. He made  
 no effort to hide - didn't even  
 know in AD could not hear.  
 I was not really interested and  
 went to visit L H. They told  
 these two had an evening  
 job, that they had 80 some  
 plans for it (Harris) L H  
 had a psychiatric man appear  
 one doctor with another. He

2) noted as though H is pro.  
 G H will be paid. This  
 week. Dennis thinks he has  
 taken major steps he has been  
 in MO only about a while.  
 Dennis has been known before  
 O die in lake. Some of his  
 description is in defendant's but  
 consistent among us, none in-  
 consistent. Wants to see the  
 picture  
 G. H was with Berger  
 Dennis paper 11/21/68  
 Oden, Ey 237 = H and prints  
 G H looks strange in portrait, never  
 gave by. Can a man in pants  
 suit to be respectable and be  
 to the son. This with girls, per-

3) Maybe 5-6-7-8 Det at pp 9  
Drip: when a child. When he  
left they had some room & few  
steps.

When I asked about a B  
Pip Landon in it, "I can read-  
later said" Douglas. Ask  
last name: "Albin" "Dad"  
"Lath bridge", he asked. Thomas  
Douglas has had psychological  
problems. Not high spirits,  
always had "two ads"  
up right next him.  
I know he was smoking. One  
of his problems was talking  
to LFF. Always he was

4) with company several times.  
His sponsor was men-

Woman who was the wife  
LIT. When LIT hands out  
up, there was someone  
meaner. As for the  
idea of, they kept "in the  
LIT" in front of what they  
learned from company.  
of H. Doug. Born with LIT,  
not LIT, in UNV his own.  
Report because he was made  
man. One man he "11" he  
gets from the 1950, 192 amount  
gets of his publishing business,  
which they run in his name.

5) Leontideus WGA in Victoria  
 in Nest. GETP leaves will.  
my & help was needed, was &  
have been given to H, &  
disappeared. There seems &  
has been an " Agate " all  
There is one of the prints  
on which they say J. H. W. W.  
Spent nothing, was not  
Agate.

J H was in Manure  
at the same time & O.P.  
I sup probably 0 not CH  
People in France living  
R R There was Japan.

7) Deep the leaves from -  
any, less high. There is any.  
will & protect the  
At the same time to 0. until  
O did 0 has the. Did the -  
write the name of the prints.  
LH does the prints of the  
with the prints of the prints  
There is the prints of the prints  
less in leaves - in  
Manure
