I told hin that at laast two tepos vore aisaing and he lonew nothing about theme
I wae guite forthright with hin in telling hin that the elternative was uncomfortable. I broice off with Jemry lelore the Weoht stuplditias. They were, as I recel1, in early 1971. $I^{\prime} m$ not taidins the thise to oheck bocause I'IX have to leave soon to draft some lutters for our Ohinese friopl. If I den trang on the date thon derry is an altemative. But adnce Jemy wanderod through ry SLles the only other one (of whom I lanow) is Bic. This would thom mean, an I explatned to han, that there has to have boen an "entry. " I have notod. many atene of thom and have mode notos of some. (I hevo, for emenplo, found tiny weahors on the floms and cen's addount for themo On the rus, rather, whore they could fall soundless)

But what nukes a profeselional job hayd to boliove is the loeving of the one Kevin tape. It in the one that wes in tlve box in whioh they aro proninently atacked. I heve noted the story on thes eeparately.
 Jarry if I had not broken off with him before I got the last of the strader stuff! and "ginisiter fordees."

I do ruash too much when there is no one here. I can be carvless. I can misifile and do But frow the thase I took the last Strader aturi to Long's offioe I have had no occaadon to look into that file. Hobody has ever muntioned it to no. And the: muens that suadenty a half-dosen things aro nysterious disaupearances.

Sone I sould atrizibutabto haste and camelensiges. All iu too nuch against the oddse
The Last tiva I noted nounthing 2 iks tidis was about a month ago, or about a week after you phoned nee from Houston.

Hozeover, I an suase that I added a note of when I gave Hunter cooles. And I think it could be anouned thast I'd given you coprios. So I see no purpose in stiealing it except posudbly pointed harrasoment.

If it is harrasabout, maybe in tino it will turn up soneplace where it has no buatness bedng.

Anywsy, I thought you should kiow.
