

He actually knows the
whole story the case of
which he spoke on
a certain way he
was on me 1/13/67
that B & H had the
region of 2 of John.

"One way or another" he
would get me "John &
John you want
1/16 I asked him to
get me access to my
DCA John from
Wolfe, where he had
good connections.
I never heard from
him since.

Just as he went to
Oxford 2/6/67. He
had rather planned
her several things,
especially for 4/11. When
she made it, he had
changed his mind.

Always talks of 1964

Straw - close & high
FBI sources
Tom Holt - US Security
Committee
Witness before - close to
his letter 10/14/66 ^{which} _{was} _{never} _{mentioned}

Why has he done
nothing with this
in two years if he
has all his connections
& that is why they do it?
Why did he not give me
the leads?

Lived in Turin -
Spent 5 months in
Italy after revolution
& "washed" to Hong Kong.
"considerable work with"
Port for Robinson in 1961
Requires his high -
Spent work as strange
"We had the fuel
story on the Bay of
Pigs before it was all
out!"

Put in LA movies
CIA

Seymour Perelman

NY 10/20/66 -

Then advice note
11/19/67

"A major witness in
the WLR has made
an offer to me to
break the case open
for a considerable
amount of money
which I know in the
process of raising."

But he regards the
Matter as only
a matter to me
chance of being
successful

1/21/67 Old train
at 11:30
He made no effort to
meet me.

I asked him to be
able get me to hear
to see media tapes

from side with approach
to me + Union of those they
employed agents.

He showed up at her
place very drunk

She checked out
what he said of her
Congressional contacts
& it was false + with
me - no substance.

"Something is very
wrong here" she
wrote Shirley
Matter of me -
and she is the one
who pushed
Foster.
