PH - I've finished reading Summer and find no reason to believe other than I'vessid.

He refers to a statement made by Ascus in Havenan. I suppose this is when Castro staged his super-dooper, with the Wilcotts, etc.

Do you have that? Did Cuba publish it?

The second batchs of the Dallas insex came today. Havne't looked at it. The covering letter says that it is of the Sub 1-4 only.

In extent, about 10 inches thick.

I've got a couple of things working in appreciation of the resocution of the fee waiver. If they bear fuit I'm sure you'll get a tasts.

As your follow may have told you, the weather here is like Texas. Slows me down a bit more.

Nothing more from Oriminal since I last informed you. est, HM 7/22/80
