Dear Mr. Tavares

Dear Mr. Tavares,

Thank you for your kind notes.

I have nothing to do with the 1951 edition and cannot replace it because I have no copies of it. However, I am confident any bookstore or drug store handling such books will be able and willing to. If they are not, Dell's address is 330 Fifth Ave., New York, N.Y. 10017.

If you tell them I autographed it when I was in San Francisco and you'd like to see the autograph, they possibly will send you another one free. If they do not, let me know and I'll be glad to send you one of the original editions at the cost.

Sincerely,

Harold Eisberg

The publisher had of course proofed. Do I send the book back to you or the publisher? I would very much have the book replaced by a complete one, as I enjoy learning all about Oswald's case. I feel bad about it because this book was signed by your autograph later to give it up. Please let me know if I should return it to you or the publisher. If I would know your name, then I would
