Dear Ed:

I have received your letter of January 4th, and it was thoughtful of you to send me the article by Hugh Trevor-Roper on the investigation of President Kennedy's assassination. As you probably surmised, his allegations are not based on the facts.

With all good wishes for a Happy New Year,

Dear Mr. Hoover:

A friend of mine in London sent me the enclosed pages from the London TIMES WEEKLY REVIEW for December 13, 1964 which contain an appraisal of the Warren Commission Report by Hugh Trevor-Roper. Because of the references in this article to the Bureau, I thought you might desire to have someone review it with the thought in mind of possibly writing to the author with special reference to his statements concerning the Bureau.

With best wishes and kind regards.

Sincerely,

Ed
