DEAR HAROLD,

CONSIDER IT A "GIVEN" IF I CAN ASSIST ANY OF YOUR PROJECTS. AS SOON AS I RECEIVE YOUR POSNER BOOK, I'LL BE GLAD TO REVIEW IT FOR THE SMALL PRESS.

I HAVE ALREADY INFORMED PROBE, A CALIFORNIA JFK NEWSLETTER, SO THE BOOK WILL BE PROMOTED THERE IN THE NEXT ISSUE.

AS FOR ME, I'M WALKING AT LEAST FIVE MILES A DAY AND EATING PROPERLY. I'VE LOST 20 POUNDS AND I'M TRYING HARD TO REDUCE STRESS. I STILL HAVE SOME CHEST DISCOMFORT, BUT I'M OKAY SO FAR. YOUR ADVICE WAS SOUND AND HELPFUL.

SASE ENCLOSED.

BEST WISHES,

Ed Tatro

Dear Ed,

Glad you are doing so well. Better than I'd gathered from Cheslock, who said you are doing well. Five miles a day! Great. But don't increase anything rapidly. You've got plenty of time-take it!

Prepare in advance for bad weather. Find a spot you can continue indoors, like a mall.

you
I'm so glad you realize I am not just giving you a pep talk. It is true and when people come to realize that it is they are so much better off for it.

Thanks for anything you can do with the book. I've still not heard of any advertising or p.r. effort, they've not arranged a single talk show for me, etc. But the reaction I've gotten is 100% good, some better than that.

They should have seen the whole schmeer!

If you place any reviews or notices I'll appreciate a copy.

Not a peep from Pommer, by the way.

The letters Cheslock's kids wrote the paper are great. He must be doing very well with them and for them. He deserves congrats for it. Glad he sent me a copy.

Best,
