"A classic, invaluable blockbuster history of the
civil rights movement."

— *Kirkus Reviews*

"No other elected official in America embodies
the grand legacy of Martin Luther King, Jr.
more than John Lewis. In other words, he is a
national treasure. Read this book and see why!"
— Cornel West

"This story of courage and hope should be read
by Americans of all races and backgrounds,
young and old. John Lewis spent most of his
life walking *against* the wind of the times, but
he was surely walking *with* the wind of history.

— Senator Edward M. Kennedy
