ON JOE DOLAN TV SHOW  
JAN. 26, 1968  
( E X C E R P T S )

Dolan: "Aren't you aroused by the fact that the evidence has been ~~examined~~ locked up in the Archives for 75 years?"

Thompson: "Well, it would depend upon what sort of material you're looking at."

Thompson (on advice to the critics): "Put up or shut up"...if you don't produce, then shut up."

Thompson (on being accused of being a CIA agent): "They tried to hire me in Denmark" but they didn't succeed

Thompson (on Life's explanation why it stated shortly after the assassination that JFK's head was facing the Texas Schoolbook Depository Building): "That was due to (a) misfile from (the) Dallas office ....A woman there somehow or other her file".

Dolan: Asked Thompson if he believed this.

Thompson: "Yeah, I believe it."

Thompson: (On Garrison charges): "Some of the charges are silly... preposterous." (On the sewer claim): "The bullet would have to pass through the car." ... "Other charges also silly."

Thompson: (On his law suit with Life magazine): "I don't think it's any accident that this is the first book causing a law suit."

Thompson: (On Warren Commission): There was "no conspiracy to cover up the truth."
