Defense of Commission on path from window

"Best leg-witness" - Brennan!

He began this by following of "hard evidence" & ~~then~~
conjectured a "short round" - understood or weak.
Assumes answer stated is ~~used~~ used.

If the fact that part of FIR in back, some from 6th floor
window, & was at 45-60° angle (FB) how can
he account for evidence angle was about 15° in only 3
How come Hughes photo showing no one in window?

How can he say just shot just before 2:10? 2 p - Willis
"know what point where gun was in hit" Only if by a single
bullet only

Test on horizontal angle to 6th floor window not applied
to FIR shot wound in back

What happened to south-floor assassin?

Commission did not know all persons present? DS did.

Shot before 2:10 "unlikely" - when hard evidence is that it
happened. His argument against it is based on 6th floor source.

Frame 190 - Sup ~~to~~ CBS is not the first of photo he
discovered it "a year ago" - no mention of first publication
of part of content in that newspaper. That all shooting
knew from within to specific photo. This is obvious

from Zapf under down. Affix with other things
like Will's \$5, Bet 3 near etc
CBS's info part: "scientific fact" that was "in a
scientific manner"!!!

That Kennedy + JFK not hit by single
bullet not previously mentioned in - only
in W.W.H. which prints the N.P. Affairs
& pictures!

Life Magazine "never credible to the Commission"
a) "investigation" b) "study" in ~~the~~ ^{some} ~~front~~

Accounting of "documents opened in the kitchen"
The FBI & S. J. said not single bullet theory - followed
a year ago - time to look further
Owen has conclusion "Owen beginning to explain
now" - comes from W.W.

Life paper not published -? and without
them can't be seen? He was told by Ray
Marcano who had no access to J.F.K. + was
only published version

Grice offer is only a start. see above
Case can be disproved without Zapf film, no photograph
as Part is

Althoff report

Articles are unaccessed - by speaking
Grice on + Adelman only said I have connection
with Federal Govt.

O's guilt - "conflicting evidence" - not answer

Answer to Grice - that is in "Kermit's story"

Learned from CBS what I published in PW on
slight - CBS shut down spaces in that
