Thornley Will Seek Delay Of Trial on Perjury Charge

Lee Harvey Oswald for only was living in New Orleans when three months said in Atlanta his Kennedy was assassinated, "I

A man who says he knew Thornley said although he attorneys will seek continuance of a perjury trial he faces in New Orleans next week.

Kerry Thornley, 31 who moved to Atlanta from Tampa last October, is charged with Thornley said he knew Osc

perjury in denying to the Or-wald as a "quiet, somewhat i leans Parish grand jury he had emotionally disturbed person, s seen Oswald during the summer who gave me the impression he v was turned off by violence." He is said their only connection was over a period of three months in 1959 when both were stationed at El Toro Marine Air Base in California.

KERRY THORNLEY

of 1963, several months before Oswald allegedly assassinated President John F. Kennedy in Dallas.

He said yesterday his American Civil Liberties Union attorney has filed pretrial motions to drop that ges of falling that to continue the filal to a later date.

The charge stems from an investigation limb the assassing.

investigation into the assassina-tion by Dist. Atty. Jim Garri-son.
