Why should ET have  
been told - by whom -  
that "Chandler was  
not born in ~~the~~ town  
where he was?" How would  
Richard - witness with  
Henry Hamby, FBI, refer  
Rags' identity?

same as before ET to bring  
the witness (which had  
nothing like the form he  
spoke in deposition)

How E by "his statement"  
of deposition - included info?

get copy of draft article  
get Thomsen at Stevens 9/25/67

Then get memo from Fred.  
is Emphasis on that he knew  
a gun.
