Detectives Van Cleave & McElroy arrived at 4011 Turtle Creek shortly after the incident was reported. The compl. stated that he was sitting at his desk in the den doing his income tax return when the incident occurred. Officers observed that a bullet of unknown caliber, steel jacket, had been shot through the window, piercing the frame of the window and going into the wall above comp's head. The bullet lodged in some paper in the next room. Comp. stated that when he heard the noise, he thought it was some sort of fireworks. Upon observing the evidence Comp. ran upstairs to his bedroom to get a pistol. He said that he has no idea of who could have committed this offense. The spent bullet was given to Det. B.G. Brown of the CSSS at the scene. We searched the grounds at the rear of the house and also the alley, with negative results. We also interviewed Robert Surrey W/M/35 of 3506 Linde Wood LA 6-7741 who was at the scene upon our arrival. This subject is a business associate and aide to the complainant. Mr. Surrey stated that last Saturday, April 6th about 9:00 PM he drove up the alley behind the comp's house and noticed two W/M/-NOD sitting in a 1963 Ford dark purple or brown, parked at rear of the complainant's house. Mr. Surrey also stated that he observed these 2 men get out of the car and walk around the comp's house. The comp. did not seem to be disturbed about the incident. Mr. Surrey it was obvious that there were no license plates on the 1963 Ford. Patrol squad 26, Sgt. Hanson and 508 were also at the scene.

A barely legible copy of the Dallas police report on the shooting at General Walker is suppressed in the files because it is contrary to the official fiction that Oswald did it and reports the use of a steel-jacketed rather than a copper-jacketed bullet.
