Mrs. WILMA TWICE contacted the Dallas PD shortly after midnight and reported a prowler about her home at 8406 Lakemont, Dallas, Texas, FL 2-2559. A Dallas Police Car was dispatched to her home where it was found her two outside doors were blocked preventing anyone from leaving the house (allegedly by the prowler). Mrs. TWICE advised the Police Officer on the scene she received a letter from the WARREN COMMISSION requesting her testimony concerning an unknown aspect of the Kennedy assassination. She also advised the Officer that after receiving the letter she had received a threatening phone call from an unknown male on July 21, last telling her to "keep her mouth shut or be killed."
