SATURDAY - MAY 24

What they wanted one country's
 policy to be, regardless of whether
 it was right, logical, moral -
 considerations they believed were
 automatically bestowed upon
 their plans because they thought
 these plans in the country's inter-
 est. They were an intellectual
 mix of bog, stemming by their
 allocation + reference to

be the most serious of
 any or any other, so they
 have understood themselves, but

single-mindedly expressing
the view the world had long
outgrown - pretentively up held
by both classes in the current
current idiom - but primarily
rooted in the failures of the
abandoned part of history.

They were like any
League of Nations in Salvo
& friends & friends.

MONDAY - MAY 26

They were wrong - consistently
unlearned by - but added them -
seems right - and very different
guilted by their distorted
reasoning of propaganda methods
& devices into a reasonable
"story" - whatever happened
was it inevitably meant whatever
disaster described by each
"success" however each "Threatened
die" "die" "die" "die" - & they
were always
- a just war - their right.
